Joseph and Jocelyn:

As a follow up to my email below.

DESC's Counsel does not object to my request below as to Docket 2019-184-E (DESC Docket).
 DESC Counsel's position on Docket 2019-176-E was set forth in an email sent to both of you today.

DEC and DEP's counsel does not object to my request below as to the DEC/DEP Dockets 2019-185-E and Docket 2019-186-E. Duke's Counsel indicates that her clients' position is in agreement with that of DESC, as to Docket 2019-176-E.

ORS' Counsel does not object as to Dockets 2019-184-E,2019-185-E and Docket 2019-186-E.
 ORS' Counsel indicates that ORS is neutral as to my request on Docket 2019-176-E.

All counsel are copied.

Thank you for your assistance.

Respectfully submitted,

Subject: [External] S.C./ SCSBA RESPONSE/Filed: Duke Energy, Carolinas, LLC, Duke Energy Progress, LLC's Letter Requesting Closing of Dockets

Joseph and Jocelyn :

This email is sent on behalf of the South Carolina Solar Business Alliance Inc. (hereinafter "SCSBA") and is responsive to the earlier email from Chad Burgess, Esquire and the later correspondence from Rebecca Dulin, Esquire, concerning Docket 2019-176-E.

SCSBA believes that it is premature for this Commission to grant Duke/DESC's request that Docket 2019-176-E be closed administratively. As discussed at length during the Commission Advisory meeting conducted by your staff on June 13, multiple parties, including the SCSBA, support consolidating a variety of issues that are to be decided by this Commission , as required by Act 62. Until the Commission has heard from all interested parties and made a final decision on the appropriate procedural process, SCSBA supports keeping Docket 2019-176-E open.

(My legal assistant , Carrie Schurg is on vacation , please e-file if required).

Respectfully Submitted,
 Richard Whitt,
 As Counsel for the South Carolina Solar Alliance Inc.
